PART 2 (4 marks)

Last Sunday, my family and I went to the zoo. We arrived at the zoo at half past eight in the morning. We arrived a little bit early so we have to wait for the zoo to (6)_____ at nine.

The first animal that we saw was the gorilla. They were (7) _____ bananas. After that, we went to see the snakes. There are many types of snake. Some of them were so small and (8) _____ behind some plants. Next, we saw the elephants. They looked so big and beautiful. We also went to see the Malayan tigers. The tigers were (9)_____ while watching the zoo visitor passing by. Then, we went and saw the monkeys, crocodiles, birds and other animals.

For lunch, we go to my favourite fast food restaurant, McDonalds. It had been a fantastic trip.

6	A. clear	B. open	C. register	D. wide
7	A. drinking	B. eating	C. playing	D. jumping
8	A. hid	B. covered	C. prevented	D. protected
9	A. sleeping	B. napping	C. dreaming	D. resting

PART 3 (5 marks)

Read text and answer the questions.

The first step to a healthy lifestyle is to have a balanced diet. We should eat more fruit and vegetables. They provide us with vitamins. Fish, meat and chicken are also good.

We must also exercise regularly. Exercising increases our stamina and improves our health. Our body will become stronger too. We need eight hours of sleep every night. If not, we might easily fall sick. So we should never go to bed late.

Lastly, we must avoid eating junk food like sweets and crisps. We must also remember to drink eight glasses of water everyday.

10. What is the first step to a healthy lifestyle?

- A. balanced diet B. exercise C. sleep

11. Why should we eat more fruit and vegetables?

- A. provide vitamins B. increase stamina C. improve our health

12. How can we increase our stamina and improve our health?

- A. sleep B. balanced diet C. exercise

13. How many hours of sleep do we need?

- A. eight B. nine C. seven

14. What should we avoid eating?

- A. vegetables B. junk food C. fruit

PART 4 (5 marks)

Gallimimus had a small head, big eyes, a beak and a long neck. It looked like an ostrich, but it didn't have wings. It had two arms and a long tail. Gallimimus was an omnivore. It ate both animals and plants.

Tyrannosaurus rex was one of the biggest carnivores. It had strong legs and short arms with sharp claws. Its head was as big as a small car. It had very strong teeth.

Diplodocus was longer than most other dinosaurs. It was as long as two buses and a car! It had a very long neck and ate plants and tree leaves. It was a herbivore.
