What's in your fridge?

READ AND WRITE T (TRUE) OR F (FALSE):

There's some watermelon
There's some flour.
There are four eggs.
There is some orange juice.
There aren't any tomatoes.
There are two aubergines.
There's an apple.

There isn't a chicken.
There's some mayonnaise and ketchup.
There are five yogurts.
There aren't any bananas.
There isn't any cake.
There is some bread.
