Now read the first block

What genre is the story?

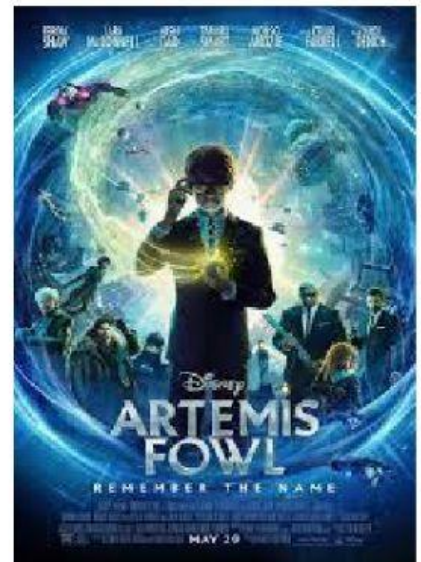

Who is the main character?

Now read the bubbles 2 and 3 and answer the questions:

What is Artemis like?

How does he look like?

Artemis Fowl is not your typical 12-year-old. He's a mastermind who sets out on a mission through a legendary world just below our feet to rescue his father, who has mysteriously disappeared. Based on the novel by Eoin Colfer, Disney's film *Artemis Fowl* (rated PG) invites viewers to join Artemis as he meets mythical creatures, uncovers secret worlds, and uses his amazing brainpower to solve the mystery.

He has raven black hair, deep blue eyes and a very pale skin. „Sun didn't suit Artemis. He didn't look well on the sun. Long hours indoor sitting in front of the monitor made his skin pale. He was as white as a vampire.

He is a very difficult person. Artemis is a child prodigy and is known to have the highest tested IQ in Europe. He speaks fluent Gnommish, some Spanish, and speaks Russian and also he speaks French. He is also a great music composer. There is nothing he couldn't count.
