

My weekend

Have you got a favourite day of the week? Saturday is my favourite day. I **usually** get up at half past eight and have breakfast. I **sometimes** meet friends at the park at ten o'clock and we play basketball. I like basketball. After lunch, I **always** do the shopping with my dad and then I play computer games in my bedroom. In the evening, I sometimes go to the cinema with my family or friends.

On Sunday, I like reading in bed. I **never** get up early! At eleven o'clock, I always walk the dog with my mum. My dad does gardening on Sunday morning, but I **hardly ever** do gardening. After lunch, we usually visit my grandparents. My granny always makes a cake for me and my sister. In the evening, I sometimes meet friends. I hardly ever watch TV.
