Center Parcs is the perfect family holiday. There are four of them in England and you can do almost anything you want there.

If it's exercise you want, you can go walking or cycling through the forest. There are also adventure sports like windsurfing. If you're a team player, you can play basketball, tennis, or soccer. But if you prefer quieter activities, you can do tai chi or yoga in the gym, or go swimming in the numerous swimming pools. And if you don't like exercising at all, you can learn to paint in the art class or just sit in the cafe and relax.

Center Parcs isn't only for adults; children enjoy it as much as their parents. Mothers and fathers can relax in the sauna or play golf while babies and small children play with their friends in the Time Out clubs.

There is something for everyone at Center Parcs.
