

I'm Helen, last Summer holidays, I went with my family to Paris. We went by car. There was me, my parents, my brother Tom and my little sister Susan. We live in Brighton and we are English. We saw the most interesting places in Paris, as the Eiffel Tower, the Louvre Museum and we made the city tour. I loved it, because Paris is a very beautiful city.

On the fifth day we went to Euro Disney. That was fantastic. We all enjoyed ourselves a lot. We stayed in Euro Disney four days. They were the most exciting days I had all my life. We were all very tired because we had to walk a lot to watch everything and enjoy all the amusements. My sister is only 4 years old and she loved it. I met all the Disney characters and they were very funny. We stayed at a hotel inside Euro Disney.

The Future

What do you think the future will be like?

Rob, 10

There won't be much land, so there will be big cities underwater, and we will travel in submarines. I think some houses will be underground, too, but I won't live in an underground house. I'll live in an underwater house with glass walls. I will see fish swimming around!

Lara, 10

I agree with Rob. There won't be many parks or green spaces. There will be lots of cars and planes, so pollution will be very bad. We won't have a lot of fresh food, so people will eat lots of junk food. There will be food pills, too.

Jim, 11

I disagree. I think the world will be a cleaner place in the future, because we won't use petrol or other fossil fuels. We will use energy from the sun to power our cars and houses. I think cars will be very fast and some cars will fly, too!

Jasmine, 11

I think computers will be very small in the future. We will have computers in our clothes and we will use our voices to control them. We'll learn lots of interesting things. We will use virtual reality to study. We won't go to school, but we'll meet our teachers and friends in cool virtual places to learn about the world.
