SONG "CASTLE ON A CLOUD "

There is a **castle / room** on a cloud,

I love to go there in my sleep,

Aren't any floors for me to sweep,

Not in **your / my** castle on a cloud.

There **is / are** a room that's full of toys.

There are a hundred boys and **animals /girls**.

Nobody shouts or talks too loud,

Not in my castle on a cloud.

There is a lady all in **black / white**,

Holds me and sings a lullaby,

She's nice to see and she's soft to touch,

She says, "Cosette, I love **you / me** very much."

I know a **place / palace** where no one's lost,

I know a place where no one cries,

Crying at all is not allowed,

Not in my castle on **a / two** cloud.
