

## TROUBLE

If you're looking for trouble

I'm evil, evil, evil as can be

You came to the right \_\_\_\_\_

I'm evil, evil, evil as can be

If you're looking for trouble

So don't mess around, don't mess around

Just look \_\_\_\_\_ in my face

Don't mess around with me

I was \_\_\_\_\_ standing up

And talking \_\_\_\_\_

I'm evil, I'm evil, evil, evil

My \_\_\_\_\_ was a green-eyed  
mountain Jack

So don't mess around, don't mess around with me

Because I'm evil

I'm evil, I tell you, I'm evil

My middle name is \_\_\_\_\_

So don't mess around with me

Well I'm evil

Yeah

So don't you mess around with me

## ELVIS PRESLEY

I've never looked for trouble

But I've never \_\_\_\_\_

I don't take no \_\_\_\_\_

From no \_\_\_\_\_ of man

I'm only made out

Of \_\_\_\_\_, blood and bone

But if you're gonna start a \_\_\_\_\_

Don't you try it on alone

Because I'm evil

My middle name is \_\_\_\_\_

Well I'm evil

So don't you mess around with me
