

SOMEONE TO YOU

(The Banners)

I don't wanna ____ or fade away
I just wanna ____ someone
I just wanna ____ someone

Dive and disappear without a trace
I just wanna ____ someone
Well, doesn't everyone?

And if you ____ the great dividing
I wanna be the one you're guiding
'Cause I ____ that you could lead the way

I just wanna ____ somebody to someone, oh
I wanna ____ somebody to someone, oh
I ____ had nobody and no road home
I wanna ____ somebody to someone

And if the sun starts setting, the ____ goes cold
Then if the clouds get heavy and start to fall
I really ____ somebody to ____ my own
I wanna ____ somebody to someone

Someone to you
Someone to you
Someone to you
Someone to you (someone to you)

I don't even need to ____ the world
(change, change the world)
I'll make the moon shine just for your view
I'll make the starlight circle the room
(circle the room)

And if you feel like night is falling
I wanna be the one you're calling
'Cause I ____ that you could lead the way

I just wanna ____ somebody to someone, oh (somebody)
I wanna ____ somebody to someone, oh
I ____ had nobody and no road home (I don't have)

I wanna ____ somebody to someone (somebody)

And if the sun starts setting, the ____ goes cold
Then if the clouds get heavy and start to fall
I really ____ somebody to call my own
I wanna ____ somebody to someone

Someone to you
Someone to you
Someone to you
Someone to you

The kingdom come, the rise, the fall
The setting sun above it all
I just wanna ____ somebody to you

I just wanna ____ somebody to someone, oh
I wanna ____ somebody to someone, oh
I ____ had nobody and no road home
I wanna ____ somebody to someone

And if the sun starts setting, the sky goes cold
Then if the clouds get heavy and start to fall
I really ____ somebody to call my own
I wanna ____ somebody to someone

Someone to you
Someone to you
Someone to you
Someone to you
Someone to you
