

SENTENCE FRAGMENTS

Read the following selection carefully. Decide whether each item contains only complete sentences or if it contains one or more sentence fragments. Write "S" in the space preceding items that contain only sentences. Put "F" beside items that contain fragments. Then check your answers

1. _____ This apartment suits me in every way. Except for the price. I can't afford it.
2. _____ In track and field, our college is well respected. Our team won the championship last year. Setting three new provincial records.
3. _____ Whenever I go fishing, the fish aren't biting, but the mosquitoes are. Maybe I should give up fishing. Or maybe I should start collecting insects instead.
4. _____ My son is a genius. On his last birthday, he was given a toy that was guaranteed to be unbreakable. He used it to break all his other toys.
5. _____ We weren't lost, but we were certainly confused. I realized this when we passed City Hall. For the third time.
6. _____ We decided to walk downtown to the coffee shop. Where we both ordered tea, just to be different.
