Opinion section: students should not wear uniform to school

My name is Rachel. Today, I would like to talk about why students should not wear uniform to school. I have four reasons. First, uniforms take away students' freedom to express themselves and limit individuality. Second, uniforms waste money because the parents have to buy new ones every year. Third, uniforms somehow feel uncomfortable with a lot of requirements and attributes. Fourth, uniforms can't really be customized. By wearing our own clothes, we can adjust to the season whether it is rainy or summer. Do you agree with me?

1. What is the point of Rachel's opinions?
 - A. Uniforms should be modified.
 - B. Uniforms do not waste too much money.
 - C. Uniforms make students feel comfortable.
 - D. Uniforms should not be worn by students.

 - E. Because parents must sell their children's uniforms.
