Yesterday Mum ¹ took us to the cinema. ² When we arrived we saw that there were three different films. My younger brother and I ³ decide which film to see. He ⁴ saw *Supercat* was the best, but I wanted to see *Dance School*. When my mum ⁵ thought that we couldn't decide, she said we had to be quick because the films started in 15 minutes. We ⁶ waited in the queue and when it was our turn, the man told us there were no ⁷ tickets for those two films. We had to get tickets for *Red Shoes in the City*.
