

YOUR SONG (Elton John, 1969)

It's a little bit funny, this feelin' _____
I'm not one of those who can easily hide
I don't have much _____, but boy, if I did
I'd buy a big house where we both could _____
If I was a sculptor, but then again, no
Or a man who makes potions in a traveling _____
Oh, I know it's not much, but it's the best I can do
My gift is my _____ and this one's for you
And you can tell everybody this is your song
It may be quite _____ but now that it's done

I hope you don't _____ (x2)
That I put down in words
How wonderful life is while you're in the _____
I sat on the roof and kicked off the moss
_____, a few of the verses, well, they've got me
quite cross
But the sun's been quite kind while I wrote this song
It's for _____ like you that keep it turned on
So excuse me forgetting, but these things I do
You see, I've forgotten if they're green or they're

Anyway, the thing is, what I really mean
Yours are the sweetest _____ I've ever seen
And you can tell everybody this is your song
It may be quite _____ but now that it's done
I hope you don't mind (x2)
That I put down in words
How _____ life is while you're in the world

YOUR SONG (Elton John, 1969)

It's a little bit funny, this feelin' **inside**
I'm not one of those who can easily hide
I don't have much **money**, but boy, if I did
I'd buy a big house where we both could **live**
If I was a sculptor, but then again, no
Or a man who makes potions in a traveling **show**
Oh, I know it's not much, but it's the best I can do
My gift is my **song** and this one's for you
And you can tell everybody this is your song
It may be quite **simple** but now that it's done

I hope you don't **mind**
I hope you don't mind
That I put down in words
How wonderful life is while you're in the **world**
I sat on the roof and kicked off the moss
Well, a few of the verses, well, they've got me quite cross
But the sun's been quite kind while I wrote this song
It's for **people** like you that keep it turned on
So excuse me forgetting, but these things I do
You see, I've forgotten if they're green or they're **blue**
Anyway, the thing is, what I really mean
Yours are the sweetest **eyes** I've ever seen
And you can tell everybody this is your song
It may be quite **simple** but now that it's done
I hope you don't mind
I hope you don't mind
That I put down in words
How **wonderful** life is while you're in the world
