

## 1.3 TELL ME ABOUT YOURSELF

### 5 Tips to help you do well at interviews

How do you get into the university or the job of your dreams? Even before the interview, you might need to catch someone's attention. The Dean of Admissions at Harvard University says he often receives flowers and chocolates from potential students. One student sent references every day for three months. Eventually, he even sent a letter from his dentist saying how nice his teeth were. He didn't get an interview.

For those of you who do make the interview stage, here are five top tips:

- 1 Be prepared. Do some research about the university or company so you know what questions to ask.
- 2 Dress appropriately. You don't have to dress smartly but you should look clean. And don't wear 'bling' (large pieces of jewellery).
- 3 Arrive on time. Fifteen minutes early is OK.
- 4 Shake hands firmly and make eye contact. First impressions are important.
- 5 Speak clearly and try to offer full answers rather than short responses. This shows your enthusiasm.

**B** Read about the programme. What caused Sargy Mann to go blind? What happened after he went totally blind?

## The Blind Painter

Sargy Mann painted all of his professional life, first as a teacher and later as a professional artist. In his mid-30s he developed cataracts on both eyes, eventually leading to total blindness. He continued to paint. Twenty-five years later, Sargy's work was very popular with art collectors, with paintings regularly selling for more than £50,000 (US\$80,000). He spoke to BBC News about his life and how he continued to work.

Watch the DVD. What does Sargy use to help him paint? What do you think of his paintings?

Answer the following questions:

- 2 Why did Sargy start to paint again after he went blind?
