- _____ 8. I once had a friend who could sing so (good, well).
- _____ 9. We watched him sing (bad, badly).
- _____ 10. High school was a set of (good, well) memories.

II. Identify whether the underlined word is an adjective (ADJ) or an adverb (ADV). Type the shortcut above the given word. (30 points)

1. One of my funniest high school memories was when my friends and I got stuck in CLF.
2. We were working late on a project for our science fair, and we were so busy.
3. Our project was about how coke quickly evaporates into a pan when there is high heat.
4. Honestly, I don't even know why we decided upon that project.
5. As I was saying, we were working until about 6:00 PM in our science laboratory.
6. We were so pre-occupied, and nobody noticed that the guard had already locked the gate.
7. After we finally finished, we were ready to go home.
8. We excitedly rushed to the gate, but we realized that it was already padlocked.
9. Things were worse because nobody had the metal keys!
10. We were extremely tired, and I remember that we just decided to sit in the guard house.
11. None of us had fresh water. We were badly getting thirsty.
12. The guard house had a jug with old water, and we were almost tempted to drink it!
13. We thought again, and realized it was probably a bad idea.
14. Thankfully, a key soon arrived, and we got to go home.
