

SEASONS

Write the words in the gap. Choose from the box below.

In the U.K. we have four seasons: winter, spring, and autumn. In the winter, it is often, wet and grey. It rains a lot and sometimes it

In the spring, the weather gets and the flowers start to grow in March or April. Many people like to go for a in the park. Some people like to and relax in the garden at weekends.

In the summer, the weather is warm and sometimes very People like to go swimming at the pool. Some people go on holiday.

In the autumn, the weather gets There are many colours. The trees go yellow, orange and
