Blocked drains shut gallery link

A multi-million-pound underground tunnel connecting two of Edinburgh's art galleries _____ (close) for two weeks so that blocked drains which have dogged the building from the outset can be fixed. The repair work _____ (estimate) to cost around 100,000 pounds but it is unclear who will foot the bill. Major losses _____ (expect) at the museum and at the gallery restaurant, which _____ (house) in the link and _____ (force) to shut whilst the work _____ (carry out). The head of buildings said it was likely that the fault had occurred while the tunnel _____ (construct). "It probably happened while it _____ (build) because we have had blockage problems since it opened. We _____ (tell) it will cost around 100,000 pounds – who will pay for it will be the issue." A spokeswoman for the National Galleries said: "Everything _____ (do) to ensure minimal disruption to visitors. Many of the educational workshops and events _____ (accommodate) elsewhere in the galleries. The National Gallery of Scotland and the Royal Scottish Academy Building _____ (not affect) by the work and will open as normal throughout." The work to the faulty drainage system at the Weston Link, which _____ (only complete) in August 2020, will take eight weeks from mid-February until the start of March.
