Hi everyone! It's Saturday! I don't go to school on Saturdays. I'm wearing my favourite stripy trousers, my necklace and my sandals. On Saturdays, I have fun in the morning. I listen to music in my bedroom. There's a speaker next to my bed. There's a poster of a dolphin above my bed. At lunchtime, I eat with my family. I play tennis with my brother in the afternoon. In the evening, we visit my grandparents. I love the weekends!
