

Exercise 1

In the IELTS Speaking test, you can increase your grammatical range by using collocations. Collocations are words or phrases which, when used together, form a new word.

Match the words to make collocations related to the topic festivals.

day	dress	festival	holidays	movies	products
-----	-------	----------	----------	--------	----------

1. film	
2. black and white	
3. easter	
4. local	
5. traditional	
6. national
