video

**Exercise:**

1. Listen and fill in the blanks with the correct alternative.

**everywhere - used – joke - when**

**mistake – brought - turn – wish**

How do I breathe, yeah?
How do I breathe, yeah?

It feels so different being here
I was so _____ to being next to you
Life for me is not the same
There's no one to _____ to
I don't know why I let it go too far
Starting over, it's so hard
Seems like _____ I try to go
I keep thinking of you

I just had a wake-up call (call)
Wishing that I never let you fall (fall)
Baby, you are not to blame at all
When I'm the one that pushed you away
Baby, if you knew I cared (cared)
You'd have never went nowhere (nowhere)
Girl, I should've been right there

# SING ALONG LIVEWORKSHEETS

**Inglés** – 5.° año

**SEMANA 5**

**Chorus:** How do I breathe
Without you here by my side?
How will I see
When your love brought me to the light?
Where do I go
When your heart's where I lay my head?
When you're not with me
How do I breathe?
How do I breathe?

Girl, I'm losin' my mind
Yes, I made a _____
I thought that you would be mine
Guess the _____ was on me
I miss you so bad, I can't sleep
I _____ I knew where you could be
Another dude is replacing me
God, this can't be happening

I just had a wake-up call (call)
Wishing that I never let you fall (fall)
Baby, you are not to blame at all
When I'm the one that pushed you away
Baby, if you knew I cared (cared)
You'd have never went nowhere (nowhere)
Girl, I should've been right there
And I wonder

**Chorus:** How do I breathe…

Ooh, I should've _____ my love home, girl
Ooh, but baby I ain't perfect, you, no
The grind has got a tight hold
Girl, come back to me
'Cause girl you made it hard to breathe
_____ you're not with me
Tell me

**Chorus:** How do I breathe…
