Let me know about grabbing something to eat afterwards!

If you ask me, I prefer badminton to yoga. I like yoga but I would like to start a new sport and I think badminton will be very interesting to try!

Would you like to go to a café after the class? We can have something yummy to eat! There's a great cafeteria nearby.

Hello, Jaime!

It would be great to walk there. Unfortunately, I have guitar lessons until 4 pm so we have to meet there directly.

How are you? Of course I'm able to go to the sports centre. I'm really excited about it!

Love,
