

ROMEO & JULIET

SUMMARY READING

"Romeo and Juliet" was a play written by William Shakespeare. It has become a famous story that one thinks of when we talk about romantic love. It is a love story with a sad ending.

The story takes place in Verona, Italy. Romeo was from the Montague family and Juliet was from the Capulet family. The two families were at war. When Romeo and Juliet meet and fall in love at a masked ball, they know that their families will never accept their love.

Romeo and Juliet get married in secret. Juliet's father insists that she marries a young man called Paris. Many things happen but in the end both Romeo and Juliet die.

The death of the two young people is so sad that the two families decide to stop fighting.

The most famous scene in the play is when Juliet is standing on the balcony of her house talking about Romeo. Romeo hears her speaking and climbs the wall to the balcony to be with her.
