

Reading Track 51

Tyler: Hi everyone! What are you doing? I'm travelling around California with my girlfriend! We're surfing today!

Becky: Wow, Tyler! Can you surf? I can't! I'm babysitting my little sister and her friend at home. My parents are working.

Jessica: And I'm doing voluntary work in the library. Is Connor travelling with you?

Tyler: Yes, he is!

Connor: Tyler is lying! He isn't travelling, he can't surf and he hasn't got a girlfriend! He's working with me in Burger Barn! Look, I can take a selfie!

Becky: Tyler! You liar!

Jessica: Ha, ha, Tyler! Are they paying you a lot?

Tyler: Yes, they are! We're making £12 an hour. I'm saving to buy a new hoodie.

Becky: And buy a new pair of jeans too, Tyler! You're always wearing ripped jeans!

Tyler: Come on, Becky! It's the latest fashion! **Jessica:** Yes, that's cool!

Connor: Tyler, what are you talking about? We aren't making £12 but £4 an hour!

Jessica: Ha, ha!

Becky: Tyler! My parents are paying me £12 an hour! **Tyler:** Really? Can I come and help you babysitting?

Jessica: Don't complain, Tyler ... I'm not having any extra money for my work!

Connor: You're right, Jessica, but you're helping the community. That's cool!

Jessica: Thanks, Connor
