

UNDER PRESSURE

Pressure (1) down on me,
(2) down on you, no man asked for.
Under pressure, that burns a building down, Splits a (3) in
two,
Puts people on streets...

That's ok...
It's the (4)..... of knowing what this world is about..
Pray tomorrow, gets me higher..
Pressure on people, (5)..... on streets..

Chippin' around, kick my brains around the (6).....
These are the days *it never rains but it pours*..

People on streets, people on streets..

Chorus

Turned away from it all like a blind man
Sat on a fence but it don't work.
Keep coming up with (7)..... but it's so slashed and torn..
Why? Why? Why? Why? Why? Why?
Love.. Love... Love.. Love...

Insanity laughs under pressure, we're cracking
Can't we give ourselves one more (8).....?
Why can't we give love that one more (9).....?
Why can't we give love, give love, give love, give love, give love, give love,
give love, give love?
'Cos love's such an old fashioned word And love dares you to care for the
people on the edge of the (10).....
And love dares you to change our way of caring about ourselves
This is our last (11).....

This is ourselves...
Under pressure...
Under pressure...
Pressure..
