

REWRITE THE STARS

You know I _____ you
It's not a _____ I try to hide
I know you _____ me
So don't keep saying our hands are tied
You _____ it's not in the cards
And fate is pulling you miles away
And out of reach _____ me
But you're here in my _____
So who can stop me if I _____
That you're my destiny?
What if we rewrite the stars?
Say you were made to be _____
Nothing could keep us apart
You'd be the one I was meant to find
It's up to you, and it's up to me
No one can _____ what we get to be
So **why don't we rewrite the stars?**
Maybe the world could be _____,
tonight
You _____ it's easy
You _____ I don't wanna run to you
But there are mountains

And there are doors that we can't walk
through
I know you're wondering _____
because we're able to be just you and me
within these walls
But _____ we go outside, you're
gonna wake up and see
That it was _____ after all
No one can rewrite the stars
How can you say you'll be _____?
Everything _____ us apart
And I'm not the one you were meant to find
It's not up to you; It's not up to me
When everyone _____ us what we can
be
How can we rewrite the stars?
Say that the world can be _____,
tonight
All I _____ is to fly with you
All I _____ is to fall with you
So just _____ me all of you
It feels impossible. It's not impossible
Is it impossible? Say that it's possible
How do we rewrite the stars?
Say you were made to be mine?

Nothing can keep us apart

'Cause you are the one I was meant to find

It's up to you. And it's up to me

No one can _____ what we get to be

And **why don't we rewrite the stars?**

Changing the world to be _____

You know I _____ you

It's not a _____ I try to hide

But I can't have you

We're bound to _____ and my hands

are tied
