

แบบฝึกทักษะ

เรื่อง 春节 (chūn jié) เทศกาลตรุษจีน

ชื่อ-สกุล(姓名).....ชั้น(班).....เลขที่(号).....

คำชี้แจง 1 : ให้นักเรียนฟังเสียงคำศัพท์และเลือกคำตอบที่ถูกต้อง

1. 

|                                                                                                  |                                                                                            |                                                                                                    |
|--------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------|
| a. nián gāo<br> | b. fú<br> | c. xīn nián<br> |
|--------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------|

2. 

|                                                                                                  |                                                                                                |                                                                                                   |
|--------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------|
| a. chūnlián<br> | b. wǔ shī<br> | c. biānpào<br> |
|--------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------|

3. 

|                                                                                                 |                                                                                                  |                                                                                                     |
|-------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------|
| a. qípáo<br> | b. jiǎozi<br> | c. hóngbāo<br> |
|-------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------|

4. 

|                                                                                                    |                                                                                                   |                                                                                                     |
|----------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------|
| a. dēnglóng<br> | b. tù nián<br> | c. chūnjié<br> |
|----------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------|

5. 

|                                                                                                   |                                                                                                  |                                                                                                      |
|---------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------|
| a. xīnnián<br> | b. wǔ shī<br> | c. chūnlián<br> |
|---------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------|

6. 

|                                                                                                 |                                                                                                  |                                                                                                   |
|-------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------|
| a. chūnjié<br> | b. nián gāo<br> | c. tù nián<br> |
|-------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------|

7. 

|                                                                                            |                                                                                                 |                                                                                                  |
|--------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|
| a. fú<br> | b. hóngbāo<br> | c. jiǎozi<br> |
|--------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|

8. 

|                                                                                                  |                                                                                                  |                                                                                                     |
|--------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------|
| a. xīnnián<br> | b. tù nián<br> | c. chūnlián<br> |
|--------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------|

9. 

|                                                                                                   |                                                                                                    |                                                                                                    |
|---------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------|
| a. xīnnián<br> | b. dēnglóng<br> | c. wǔ shī<br> |
|---------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------|

10. 

|                                                                                                   |                                                                                                 |                                                                                                |
|---------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------|
| a. biānpào<br> | b. qípáo<br> | c. fú<br> |
|---------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------|
