Hi, I'm Jane and this is my bedroom. I really love it because it's got bright colours but unfortunately it's very small. My bed is next to the window. There's a very small bedside table at my bed. There are some shelves on the wall above my bed and also a notice board. There's a wardrobe near the door. There's a mat on the floor.

I've got my desk with my computer on it opposite my bed. I haven't got posters or pictures on the wall because we've just moved here.

Hi! I'm Tina and this is my room. It's quite big and there are lots of things in it. My bed is next to the wall and there's a shelf above it. My desk is between my bed and a chest of drawers. I've got a poster on the wall. There's also an armchair in the room. As you can see, I'm not very keen on cleaning the room but I love it this way.

Hi, I'm Peter and this is my room. There isn't much furniture in my room, only a desk with a computer on it and a bed. I play the guitar, so I've got a poster with a guitar on it, a mirror and a notice board above my desk. I've just cleaned my room, so it looks quite tidy. However, my Mom thinks it's still messy with books and T-shirts on the floor and my bed.

Hello, I'm Carly, welcome to my room. It's not a very big room but it's a very bright one. There are some pictures on the wall. There's a big double bed in the room and there are two bedside tables with a lamp on each side of the bed. I've got a big window with lovely curtains.
