

1 Ania wants to meet her friends at the weekend.

Listen to the four conversations and write the names in her diary. You don't need all the names.

|      |       |      |       |
|------|-------|------|-------|
| Alex | Ali   | Eva  | Clara |
| Hugo | Poppy | Sara |       |

|          | morning                                         | afternoon                                             | evening                                     |
|----------|-------------------------------------------------|-------------------------------------------------------|---------------------------------------------|
| Saturday |                                                 | Meet _____<br>at _____<br>inside the cinema.          | Meet _____<br>at _____<br>at the juice bar. |
| Sunday   | Meet _____<br>at _____<br>at the swimming pool. | Meet _____<br>at _____ outside<br>the science museum. |                                             |
