1. I'm writing a postcard to Paddington. Can you help me put the sentences in the right order?

Dear Paddington,

I'm waiting for you in Hong Kong. I'm looking forward to hanging out with you in Hong Kong!

Greeting from Hong Kong! I had a happy weekend in Hong Kong with my friends. Let me tell you what we did!

In the afternoon, we went to the Hong Kong Space Museum to watch a sky show. After that, we watched a ballet at the Hong Kong Cultural Center.

Finally, we had dinner in Sham Shui Po. There was lots of delicious local food!

Best wishes,

Macy

In the morning, we had a picnic in Hong Kong Wetland park. There were lots of plants and animals.
