

BOOKS AND READING

1. Match the literary genres and book related words to its definitions:

serious and important writing	detective and mystery
stories about imaginary people and events	science fiction
fiction books	author
the hero attempts to stop and defeat the villain	fiction
stories about technology and future science	literature
someone who writes books	thrillers
stories of a person's life, written by another person	poetry
pieces of creative writing in short lines	biographies
brief prose that are shorter than novels	adventure stories
the plot always revolves around solving a crime	short stories
the characters are put in risky, dangerous situations	novels

2. Replace one wrong word in each sentence. Write the correct word at the end.

- Many ~~poems~~ are around 300 pages. poems - poets
- I enjoy science fiction because I like stories about the past
- We went to see the film because there was a good article in the newspaper.
- I've been reading a new autobiography of Alfred Hitchcock by Donald Spoto.
- Biography books constantly have you on the edge of your seat with excitement, as your fave main character repeatedly finds themselves in high stakes situations.

6. Comedies should make people frightened.
7. The plot of a novel always revolves around a crime that must be solved—or foiled—by the main character

3. Listen to the recording and fill in the gaps:

Don't you think books _____ thing in the world? I can't remember a time in my life when I wasn't reading a book. _____ memories of being in my school library when I was about five years old. I have been _____ bookworm since then. You'll usually see me _____ buried in a book. I _____ of books. Novels are great _____ know other worlds and cultures. A good book is one where you never want the _____. I also like autobiographies because I think it's interesting _____ people's lives. Encyclopedias are cool too - you can learn everything about everything in these. _____ books to the Internet. Books need to be in your hand and _____ .

4. Unscramble the underlined words. Try not to look at the text above:

Don't you think books are the best thing in the dowlr? I can't remember a
time in my life when I wasn't reading a book. I still have msmroiee
of being in my school lyrabir when I was about five years
old. I have been a bit of a rokombow since then. You'll usually see me with my
head ubdeir in a book. I love all kinds of books. Novels are great for getting
to know other worlds and ustrcleu. A good book is one where you never
want the story to end. I also like autobiographies because I think it's rtenqiestn
to read about people's lveis. Encyclopedias are cool too - you can learn
everything about everything in these. I still rpfeer books to the Internet.
Books need to be in your hand and made of parep.

5. Unjumble the words and write down the whole text from memory. Try not to look at the text above. You can do it in your copy book:

Don't you think books would be the best thing there are? I can't remember my reading life a
when time I in wasn't a book. I still have memories of being in my school library when I was
about five years old. a of I been bit a have bookworm since then. my You'll see with head
usually me buried in a book. I love all kinds of books. Novels are great for worlds know
getting other to and cultures. A good book is one where story end never the to you want. I
also like autobiographies because I think it's interesting to read about people's lives.
Encyclopedias are cool too - you everything about everything learn can in these. I still prefer
books to the Internet. be to need Books your in hand and made of paper.
