My favourite programmes on the TV are <sup>0</sup> soap operas / novels.

I love the stories and the characters in them. I don't usually listen to <sup>1</sup> newspapers / rock music – I prefer hip hop.

I like listening to the radio, especially <sup>2</sup> phone-in / horoscopes shows when people call the radio station.

I don't usually read <sup>3</sup> rock music / comics because I think they're for <sup>4</sup> kids / horoscopes and not for teenagers like me!

I like reading <sup>5</sup> soap operas / newspapers, though, the headlines of course, but especially the <sup>6</sup> horoscopes / novels.

My birthday is in April so I'm an Aries. I don't believe them but they're quite funny.

I read my friend's <sup>7</sup> phone in / blog too.

She writes things every week about music and film and it's quite good.
