

Dr. Nadia Hashimi

Nadia Hashimi's parents left Afghanistan in the 70s, before the Soviets.

In 2002 she visited Afghanistan for the first time.

She is a doctor for children.

She writes books too.

She lives with her husband and their four children in Maryland.

She has earrings?

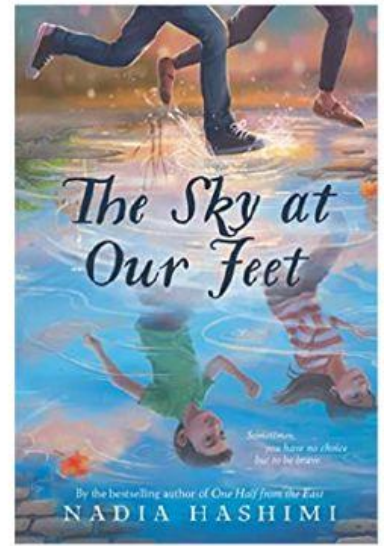

Is she crying?

Where are her parents from?

When did they leave Afghanistan?

When did she first visit Afghanistan?

What is her job?

What kind of doctor?

Where does she live?

Is she married?

How many children does she have?

Does she write books?

What is the name of the book?
