

Lesson 5

Read, listen and number

When it rains, we get water.

We need water to live.

It is important to use water in a responsible way.

These are some things we can do to save water:

1 2 3 4 5

Take a shower,
not a bath.

Turn taps
off
properly.

Use spare
water
for plants.

Wash things in
the sink,
not under the tap.

Turn the tap off
when you brush
your teeth.
