- Shop manager: Good afternoon. (1) _____ of bike are you looking for?
- Michelle: I don't know much about bicycles, and I was hoping you could introduce something. I need a bike for my stay in Thailand.
- Shop manager: Of course! (2) _____ will you be staying in Thailand?
- Michelle: For about six months.
- Shop manager: In that case, I recommend you buy a good bicycle rather than rent it. (3) _____ of road conditions do you expect?
- Michelle: I'll be cycling mostly in Bangkok on the road, nothing too adventurous.
- Shop manager: OK. So, you will need a pair of slick tyres. (4) _____ carry a lot of stuff with you when you travel?
- Michelle: No. Probably just a camera around my neck and a bottle of water.
- Shop manager: Great! So, we're not going to need a rack. I think I have a few models that should suit your need. (5) _____ have a limited budget?
- Michelle: Unfortunately, yes. I can't afford anything over 25,000 baht.
- Shop manager: That's alright. I think I have just the right bike for you. I recommend LTX-3000. It comes with slick tyres, so it should be perfect for city riding. It's also lightweight and durable, so you should be able to use it all through your stay here without any problem. The best thing is it costs just 21,900 baht.
- Michelle: It's perfect! I'll take it!
