B- Stanley wrote a letter to his mom but he lied not to make her worry. Complete the 'real' letter he should have written. You should use ONE word in each space. The first letter is given! There is one example

Dear mom,

Today was my first day at camp, and I hate **to** tell you I haven't **g**\_\_\_\_\_ any friends because all the boys are really unfriendly. There is **n**\_\_\_\_\_ lake here and it's boiling hot. They make me **w**\_\_\_\_\_ an orange uniform and stay in the sun all day. Today we've been out on the field, so I'm **w**\_\_\_\_\_ because we are made to dig.

The other day, I found a fossil while digging and I stopped **t**\_\_\_\_\_ give it to Mr Pendanski. I think it was a fish.

Now it's time for dinner. I don't **m**\_\_\_\_\_ to worry you but I'm not having a good time. I'll do my **b**\_\_\_\_\_ to survive.

Love,

*Stanley*
