I haven't got a cap and it's hot and sunny today. Can I have it?' Finally his dad said yes. Now Jim was hungry and thirsty and wanted to go to a restaurant, but at that moment their train arrived and they got on it.

At the next station a woman got on and sat down opposite Jim and his parents. Jim was very hungry now. After half an hour the train stopped. 'There was an accident with a car,' the conductor said. 'We have to wait for the emergency services.' The woman opened her bag and took out a sandwich and an apple. Jim looked at her. When she looked up, he quickly looked away. The woman smiled and asked Jim's parents, 'Can I give him something to eat?' 'That's kind,' they answered. The woman put her hand in her bag and gave Jim a sandwich and an orange. Jim thanked her.
