New Runway Not the Answer!

Plans for a third runway at Oberton International Airport appear to be going ahead even though 1 _____ have been strongly objecting to this. Residents living in the area already complain about noise 2 _____, and an increase in the number of planes taking off will only increase the amount of 3 _____ fumes in the air. However, the construction of the new runway will have another 4 _____ effect. A part of Elderwood Forest will have to be cut down. The forest is the natural habitat of some 5 _____ species of butterfly, and 6 _____ fear that these species will suffer greatly. They believe the situation is 7 _____ if a different site for the runway is found. Nevertheless, the construction company involved is confident the effects on wildlife are insignificant. It seems that the 8 _____ of wildlife is less important than the benefits of having a larger airport.
