

There are several point to consider	
The language makes it easier to meet new people of diferents countries.	
Knowing English also help to find a job.	
People say that english is the most important language...	
In Spain is the same.	
A lot of people thinks that...	
People who learn English they do very well.	
On the another hand, there are people who say...	
Nowadays the languages are very important.	
English is the language most spoken.	
Further more many people don't need...	
English is like a key, that allows us to enter to many doors.	
Other people think that is very important.	
... and too it's difficult for many people to understand.	
It's not necessary for live.	
I think that all the people need to learn English because, what I said before, English can help you...
