INTERNATIONAL WOMEN'S DAY CLICK *Who says what? After watching the video, look and match:*

Nobody gets to judge me
for who I am.

Don't let anybody change you.

I like being a girl because
I can express myself the way I want to.

GIRL POWER!!!

Don't listen to what other
people say about you or
your gender.

Believe in your dreams.

Girls can do just as much things
as boys can.

I have a lot of confidence in myself
being a girl.

It doesn't matter who you are, you
can still work together no matter
if you are a girl or a boy.
