What do you see in the pairs of sentences 1-6?

Read and complete the grammar rules: choose **don't** or **doesn't**.

When we want to say **a negative fact about animals** we use **the structure of negative sentences in the PRESENT SIMPLE**:

They + _____ + **verb** + the rest of the sentence.

It + _____ + **verb** + the rest of the sentence.

Attention!!! Choose YES or NO:

We add the letter **S** to the verb after "**DOESN'T**" -----> **YES** **NO**

don't = do not

doesn't = does not

2) Complete the animal facts (a-g) with the NEGATIVE form of the verbs in brackets.

Examples:

- Polar bears **live** in the Artic. They don't live (**not live**) in Antarctica.
- The crocodile **has** cold blood. It doesn't have (**not have**) warm blood.
