

Put the words between parentheses in the correct tense or form (4 marks):

Austin, you see, was born profoundly deaf. For his whole life, with this **(able)** 1 _____, music has been a mystery. 'I had seen people make a fool of **(they)** 2 _____, singing or moving **(wild)** 3 _____ on the dance floor,' he says. 'I had also seen people moved to tears by a song, which was probably the **(hard)** 4 _____ thing for me to understand.' Then, just a few weeks ago, his parents suggested that he try a newly developed hearing aid that they had heard about. He **(go)** 6 _____ to the doctor's with no great expectations. But when the doctor switched on the hearing aid, he **(stun)** 7 _____. 'I sat in the doctor's office, frozen as a cacophony of sounds attacked me. The whir of the computer, the hum of the air conditioning, the **(clack)** 8 _____ of the keyboard, the sound of my friend's voice.' Austin could hear.
