Find the following words in the puzzle.

Words are hidden → ↓ and ↘ .

LATITUDE
REVOLUTION

ROTATION
SOLARENERGY

TROPICS

All living things, or SOLAR ENERGY, or energy from the sun.

A ROTATION is one complete spin of Earth of its axis.

It takes 365 1/4 days for Earth to complete one REVOLUTION, or trip around the sun.

A location's LATITUDE, the distance north or south of Earth's equator.

In the TROPICS, regions are closer to the equator.
