The following text is for questions number 16 to 20.

Marni's school will hold a festival. The festival is held to celebrate the school's anniversary. It is not really a festival. There is no music band, food stalls, or games. There are four competitions held in the festival. First, there will be an English debate competition. The theme of debate is about global warming. Second competition is mathematics competition. Third competition is storytelling competition. The last competition is drama competition. The English debate is held in the hall. The second competition is held in the computer lab that has been modified for the competition. The third competition is held at the class 9C because class 9C is the biggest classroom. The last competition is held in the art room. Though the festival is not what Marni thinks, she still enjoys seeing each competition.

2. How many competitions held by Marni's school?
   a. 1. c. 3.
   b. 2. d. 4.

3. What will be held in the art room?
   a. English debate competition.
   b. Drama competition.
   c. Storytelling competition.
   d. Math competition.

4. What does Marni feel about the festival?
   a. She feels afraid.
   b. She feels sad.
   c. She feels angry.
   d. She feels happy.

5. Why is class 9C chosen to be the place of storytelling competition?
   a. Because class 9C is the biggest class.
   b. Because class 9C is the cleanest class.
   c. Because class 9C is the best class.
   d. Because class 9C is the most beautiful class.

6. "The second competition is held in the computer lab that has been modified for the competition."
   The underlined word above has the same meaning with ....
   a. altered c. fixed
   b. repaired d. exchanged

The following text is for questions number 1 to 5.

Hello, my name is Andrea. This time, I will tell you about my school. I go to school at SMP Bina Karya Surakarta. My school is spacious. There is a big yard in the middle of the school. We use it to hold a ceremony. There are 30 rooms that surround the yard. There are 21 classes, 1 teacher's room, 1 headmaster's room, 1 canteen, 1 computer lab, 1 chemistry lab, 1 language lab, 2 toilets, and 1 school clinic. My class is 7A. It is next to the teacher's room.

My favorite place in my school is canteen. The canteen is next to class 9G. It is at the right corner of the school. The canteen has many things. There is a vending machine at the outside of the canteen. The dishes are delicious. My favorite food in the canteen is lotek. The seller, Mrs. Hana is also friendly to students. She serves her customers patiently.

I am proud to be a student at SMP Bina Karya Surakarta. I hope SMP Bina Karya will be the best school in Indonesia.
