The best day of the week

Hi! My name is Hanson. My family and I watch a movie every Friday in the afternoon; we have called this time "Cinema Hour." I really enjoy (1)____. First, my mom asks (2)_____if my little brother and I are ready for the movie. I know that the most important rule for (3)_____ is to have our bedroom tidy and the homework finished. Since my brother is younger than me, I usually help (4)_____with his homework. So, I tell my mom "Yes, we are ready!" Next, we help (5)_____prepare the popcorn and my dad goes to the kitchen to prepare some fruit. We always have strawberries and mangoes in the freezer. My mom and my brother like these fruits, but honestly, I don't like (6)_____. I prefer grapes and pineapples. After that, we move to the living room to choose the movie in Disney plus. This platform offers a lot of movies to see; if you don't have Disney yet, I recommend (7)_____to try it! Finally, we play the movie and we eat, laugh, and have fun. This is my favorite day of the week!
