I. Read the song and write all the Frequency adverbs you listen.

93 Million Miles

Jason Mraz

93 million miles from the Sun
People get ready, get ready
'Cause here it comes, it's a light
A beautiful light, over the horizon
Into our eyes

Oh, my, my how beautiful
Oh, my beautiful mother
She told me: Son, in life you're gonna go far
If you do it right, you'll love where you are.

Just know, wherever you go
You can _____ come home

240 thousand miles from the Moon
We've come a long way to belong here
To share this view of the night
A glorious night
Over the horizon is another bright sky

Oh, my, my how beautiful
Oh, my irrefutable father
He told me: Son, _____ it may seem dark
But the absence of the light is a necessary part.

Just know, you're _____ alone
You can _____ come back home

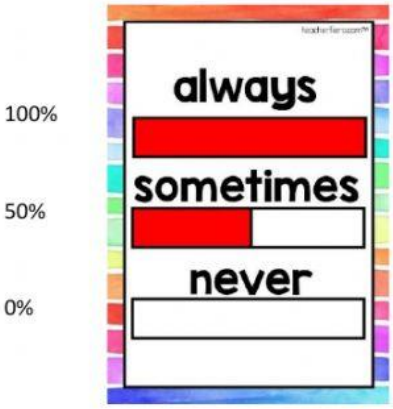

Oh, oh, oh, oh
Oh, oh, oh, oh
You can _____ come back, back

Every road is a slippery slope
There is _____ a hand that you can hold on to
Looking deeper through the telescope
You can see that your home's inside of you

Just know, that wherever you go
No, you're _____ alone
You will _____ get back home

Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh

93 million miles from the Sun
People get ready, get ready
'Cause here it comes, it's a light
A beautiful light, over the horizon
Into our eyes.
