

Read the text below. For questions (39–48) choose the correct answer (A, B, C or D). Write your answers on the separate answer sheet.

This is a short story about how hard work is rewarded.

There was an old man living in his village. He had four sons and they were very lazy. The old man felt sick and was counting his (39) _____ days in bed. He worried a lot about his sons' future as the young men hesitated a lot to work. The sons believed that luck would favour them.

The old man's health got (40) _____ every day and he decided to talk to his sons about their future. (41) _____, his sons did not listen to him. The old man played a trick to let their sons realize the importance of work.

One day, the old man called all his sons and let them (42) _____ near him in his bed. He said he had a treasure box with gold coins for them and wanted them to share the treasure equally and lead a happy, prosperous life. The young men were very happy and asked (43) _____ his father had placed the treasure. The old man said: «I cannot exactly remember the place where I have hidden the treasure from the (44) _____. However, the treasure box is buried in our land. I'm really not sure about the place where I have hidden the treasure box.»

Even though the lazy young sons were happy, they were (45) _____ that the old man forgot the place where the treasure was hidden. A few days later, the old man died. The sons decided to dig the land to find the treasure box.

They worked very hard and dug their land. They could not find any treasure box in the land. They decided to dig a spot in their land that remained a bit different from the rest of the area. The sons believed that the treasure was buried there. They dug the specific spot so deep, but got (46) _____ but water.

A passerby who noticed the dug land and water flowing from a spot talked to the sons about agriculture. They planted fruit and vegetables on (47) _____ land. The land became very fertile with abundant water, within a few weeks the land became a beautiful garden with vegetables and fruit. The young sons sold the vegetables at a good price and earned a big (48) _____ of money.

Then they realized that it was the hard work that was mentioned as a «treasure box» by their father. They defeated their laziness, worked hard, earned much money and lived happily.
