Healthy Eating Magazine

My friends and family are changing their ideas about healthy food. We want a healthy way to eat. So we're on a "low-carb" diet.

Many people like "low-carb" diets. They say these diets are very healthy. On a low-carb diet you eat proteins, like fish, chicken, meat, and eggs. But you don't eat a lot of carbohydrates.

That means you don't eat bread, potatoes, pasta, or rice. It also means you don't usually eat foods with sugar. Fruit has sugar, so you don't eat many apples, oranges, or other fruit.

Does this sound crazy? I'm not sure. Every day more people are trying low-carb diets. And for many people, the results are great.
