

## UNIT 3

### FURTHER PRACTICE

#### 3.3.1 Fill in the gaps with the given words in the box to complete the following passage:

into characteristics different purchase consists

A market (1) ..... of groups of buyers and sellers. The most common feature among all buyers and all sellers is that they are very (2) ..... Though they share common characteristics, they can be divided (3) ..... some distinct groups, which are different among themselves in terms of nature and size of market, nature and size of purchase, purpose of (4) ..... , etc. There are four different types of markets: consumer market, business market, government market, and institutional market. Each market exhibits a distinct set of (5) ..... which should be known to the marketer. This knowledge helps him to design suitable marketing strategies to different markets.

#### 3.3.2 Match these word partnerships to their meanings
