Hi Pedro,

Congratulations! Your new girlfriend sounds great. Yes, I've got an idea for an easy recipe. I'm sure her parents will like it. People always love this dish and it's easy to make.

First, cook some pasta. Then you need a lot of different vegetables, for example some onions, peppers, aubergine and tomatoes. Cut them all up into small pieces (but not too small). Next, heat some oil in a big frying pan or wok, and put the vegetables in. I usually start with the onions and add the tomatoes last. But it's not so important, just fry everything and stir it together. After that, add salt and pepper, and then lots of chopped garlic, and soy sauce. Finally, add the pasta to the cooked vegetables, stir it all around and cook it some more. That's it! Good luck!

Or you can order a pizza!

Best wishes,
Sandra
