Camels

Example

- Camels are interesting animals, which usually live in the desert. This is because they need to drink a lot and they can live without water for two weeks. Also, they have fur over their ears and they can close their noses that sand doesn't get in. Camels usually live for about 40 to 50 years but can live to be as old as 80. They can run as fast horses.
- Camels don't eat meat, but they eat desert plants.
- big animals have long necks so that they can the leaves of tall trees.
- Camels can carry heavy things on their backs. People used camels to carry them and their things across the deserts for centuries.
- People also use camels for milk, wool and meat. You can see or on a camel if you go to a desert. Or you can also see them zoos all over the world.
